An Artful Learning School

August 20, 2020

Dear MDVE eLearning Families,

This is a friendly reminder that tomorrow, Friday, August 21, is Meadow View's IN-PERSON eLearning Orientation which is an optional orientation for your student to attend a one-hour session. For those of you who signed up your student, we look forward to seeing him/her tomorrow. Please check your student's temperature before leaving the house and ensure they are not exhibiting any symptoms of illness. Please send your student wearing a properly fitting mask.

Orientation at Meadow View is one hour long. If you signed up for 9 a.m., please plan to arrive at 8:55 a.m. and return by 10 a.m. to pick up your child. If you signed up for 10:30 a.m., please plan to arrive at 10:25 a.m. and return by 11:30 a.m. to pick up your child. Parents, please pull in along the Kiss-n-Go lane (fire lane in front of the building). Please stay in your vehicles, staff will walk students inside the building at the beginning of the session. At the end of the session, you may park along the Kiss-n-Go lane and wait in your vehicles for staff members to walk students to your vehicles. Per district guidelines, visitors/parents are not invited inside the school buildings at this time.

The purpose of Meadow View's eLearning Orientation is for students to connect with MDVE staff who they may be working with virtually this school year. Also, the students will participate in a social/emotional activity with our school counselor, participate in a read aloud, receive their technology device (if one was previously requested), and have an opportunity to play on our new playground.

For all other eLearning information, please visit the eLearning HUB (link below) and watch for district communication.
