

August 14, 2020

Dear Meadow View eLearning Families,

Welcome to the 20-21 school year! Even though we will not be learning in-person together this school year, we want to be certain that our families and our students still feel a part of the Meadow View community and our school. Please view our [staff slideshow](#) to meet some of the amazing specialists and staff that may be working with you and your child(ren) through eLearning.

### **MDVE eLearning Student Orientation**

DCSD is offering an in-person student orientation for eLearning students at their neighborhood schools. We understand and respect that many families chose eLearning for a variety of reasons and may not want to enter a school building and have their child with other students. **Please know that the in-person eLearner orientation is optional.** During the 1 hour orientation, students will be engaging in: device pickup and log-in support/practice, a conversation with an eLearning teacher, a social emotional lesson with our school counselor, a tour of our building, and an opportunity to play on the playground. Students must wear a mask and practice appropriate social distancing.

**MDVE will be hosting two eLearning orientation sessions on Friday, August 21st. Session 1 runs from 9:00-10:00. Session 2 runs from 10:30-11:30. Please complete the [Orientation sign up genius form](#) to indicate which session you would like your child to attend.**

Students may be dropped off at the front of the school. We will have staff on hand to guide them where to go. Students will be released out the front-doors. Parents may remain in their vehicles along Kiss N' Go for student pick-up.

### **Technology for eLearners**

If you choose not to have your child participate in the in-person orientation but you have completed the district [technology check-out form](#). Parents may stop by the school to sign out your child's district-provided device during the following times.

- Monday, August 17, Wednesday, August 19, Friday, August 21 - 9-2:30 p.m. or
- Tuesday, August 18 and Thursday, August 20 - 9-2:30 p.m. or 3:45-5 p.m.

Please call the front office at (303)387-5440 and let us know you are out front and we will bring the device to you. Please wear a mask. You will be required to sign MDVE's technology agreement upon receipt.

**Additional eLearning School Information will be forthcoming and will be sent directly to you from the district's eLearning Department.**
